

# Spanish SUMMER CAMP

[WWW.EIU.EDU/LANGUAGE](http://WWW.EIU.EDU/LANGUAGE)

All high school students who have had at least one year of high school Spanish are welcome.

**JUNE 25-JUNE 30, 2017**

## ALL OF YOUR FAVORITE CAMP ACTIVITIES ... IN SPANISH!

### CAN A WEEK MAKE A DIFFERENCE IN MY SPANISH?

Language teaching experts agree that living a language in an immersion setting is the most effective way to learn. As you carry out your daily activities while speaking Spanish with your counselors and fellow campers, you will gain confidence and lose your fear of expressing yourself. You will feel the satisfaction of getting your Spanish outside the walls of your high school classroom, and into the real world with hands-on activities. This is not about memorizing verb endings, but living the language.

### YOUR CAMP STAFF

EIU's Spanish faculty have lived and worked abroad with decades of teaching experience and all camp counselors are fluent in Spanish, from diverse backgrounds and full of energy and creativity.

### YOUR TYPICAL DAY AT CAMP

Camp activities are centered on student interests while encouraging an immersion environment. Activities are supervised by EIU faculty, aided by counselors who also live with you in the residence halls. Formal classroom instruction is limited to allow you to use your language skills in real-life situations.

#### After you eat breakfast (while speaking Spanish!), you might:

- get a lesson on playing Cuban rhythms on the bongo drums
- learn how to make the detailed and meaningful *alfombras* ("rugs") made on the ground with colored saw dust during processions in Central America.
- exercise our culinary skills by making a tortilla from Spain—the ingredient list may surprise you!
- play some soccer with experienced native speakers

#### Enjoy some free time right before dinner, then after our meal in the evening we could:

- roast marshmallows around a *fogata* (camp fire)
- check out the rock wall at the gym on campus
- enjoy a round of the game *Manzanas con manzanas* (Apples to Apples)
- head to the local coffee shop to do a poetry reading in Spanish
- get a quick taste of another language like French or German with a beginning lesson from one of your multilingual counselors
