

## Participate in an ICTFL MOPI workshop!

**Developing language proficiency** should be the goal for every language classroom. The new Illinois State Seal of Biliteracy requires that students must pass a performance test at the Intermediate High level of language use to receive this special recognition on their high school diplomas and transcripts. For those districts wishing to adopt the optional program, it's important that their teachers receive support to understand each level of proficiency and gain strategies on how to move students to greater levels of language performance.

**The Modified Oral Proficiency Workshop (MOPI) is a two-day workshop** introducing the oral proficiency levels of Novice and Intermediate. You will learn about the characteristics of Novice and Intermediate speakers and learn techniques to conduct interviews and determine levels. Each participant will have the opportunity to practice an interview.

**As a result of these professional development experiences, educators are** better able to:

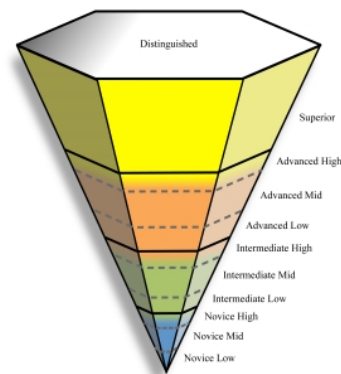

- apply key principles of teaching and testing for proficiency to curriculum, instruction, and assessment
- establish program goals in terms of performance outcomes
- determine student placement, progress, and performance
- articulate within and across language programs

Workshops will be offered in English with examples provided in the languages you teach. Should demand warrant, a Spanish-focused workshop will be offered.

The \$500 registration fee covers the professional learning, all materials, breakfast, snacks and lunches. A district who wishes to send a team of five or more will receive a discount on registration fees. Please contact [professionalllearning@ictfl.org](mailto:professionalllearning@ictfl.org) for more information.

**June 22-23, 2020**  
**Bloom High School**  
101 W. 10<sup>th</sup> St.  
Chicago Heights, IL 60411

**August 3-4, 2020**
